Ashley, Donna, and Mindy,

Here is a request for a one-week extension of the public review period by CDFW. Please let me know when we can discuss. We should respond to them as soon as possible.

Thanks,
Rob

Good morning Mr. Hingtgen,

The Department is formally requesting a week extension of the comment period for the Soitec Solar Development Program Environmental Impact Report, SCH No. 2012121018. Due to staffing limitations and a series of meetings, an extension until February 24, 2014 would prove beneficial to our review. We appreciate your consideration. Please feel free to contact me should you have any questions. Thank you.
